

Association des propriétaires  
pour la Protection du lac de l'Argile

Dear residents and friends,

It is already that time of the year to renew your membership to APPLA (Association des propriétaires pour la protection du lac de l'Argile). Like previous years, members of the Board of Directors and our volunteers will be going door to door.

We are soliciting your support for APPLA by purchasing your **\$40 membership card**. Last year, our membership was at an all-time high of 80% of all residents. This year, help us maintain and surpass our number. A small token makes a big difference to the health of our lake when we all work together.
